Roger – any updates to add for the DuPont case or any of the other sites in the Region to add to the briefing paper? Next RA briefing is Monday, November 14<sup>th</sup>. Andrea is asking for updates by COB today since she's off tomorrow with the holiday shift. I will also be out tomorrow for the same reason.

Good Morning,

Attached is the updated PFAS Summary Document. Please review and get any updates/comments/edits to me by COB today. I highlighted where changes/updates were made. Sorry for the short turnaround time.

Thanks,

Andrea
